NARRATIVE:

Conner, a registered sex offender, has an extensive adult criminal history that began at the age of 24 and includes sexual battery, inflicting corporal injury on a spouse, failure to register as a sex offender, receive known stolen property, burglary, possession of controlled substance, violations of parole, and violation of supervised release. Conner has served five prison terms, the longest being 28 months for burglary. He was released most recently, to the supervision of the Los Angeles County Probation Department on 03/08/2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2013 after Conner absconded from post release community supervision (PRCS). Conner qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a controlled substance is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as a registered sex offender, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
